Meeting Minutes

Present:

Dennis Senger, John Reeve, Faye Cable, Janet Webster, Peter White, Susanne Treffler, Dick Smith, Dan Scarffe, Lene Nielsen, Genevieve Chabot, Tina Brobby, Bonnie Macdonald, Norma Waddington, Liz Reichenbach.

Meeting called to order at 7:00pm and introductions of current and new members given around the table. **Agenda given as presented.** No call for new items.

Workshop Updates: Dennis reported that the beginners course is full and there was an additional person who was accepted. Ingrid had advised that she had discussed the matter with the instructor and there were no problems.

Twenty-six people registered for the beginners course, 30 for the Brosha workshop Sept 27 and 28 and 13 and 14 registered for the Bargaen workshop.

General discussion on who could be taking the Brosha/Bargaen workshop and why.

Discussion on the the last print ad. Some people were left with the impression, because the word full was used for the beginners workshop, that all workshops were full. Members advised that there was more than enough room for both.

Web Page Members Gallery: John advised that the Gallery was only for club members and anyone who is not a 2013 – 2014 member on November 1, will have their gallery removed from the website.

Meeting Schedule Oct/Nov AGM: Executive explained that the attention given to the planning and delivery of three back to back photo workshops led to the decision to hold only one general meeting in September and then return to the two-meeting cycle in October. Members also encouraged to attend the AGM in November and consider a position on the executive.

Photo Subject for October Meeting: Members agreed with Janet Webster's suggestion of photos that show “endings” as the topic for the meeting.

Program/Guest Updates: Faye outlined plans for the coming season. Is hoping to get Mark Prins for October to talk about photo framing. This also led to a reminder for the April 2014 exhibit at the Yukon Arts Centre Gallery and a reminder from Faye that size for each photo will have to be considered carefully because of the limited exhibit space.

Members were reminded that additional help will be required to help display the photos.

Faye also reported on the various field trips and the barbeques at John Reeve's property, one for end of the season and one for retired long-time member Rusty Reid.

Competitions: Members were reminded about the Celebration of Nature Photography 2013 competition organized by the Lions Gate Camera Club in Vancouver, the Oct.18 registration deadline, the task of selecting 10 photos from all the excellent work done by members, the general rules for the types of photos that can be accepted and the technical requirement.

Summer Images: Nine members submitted outstanding summer images for presentation at the end of the evening and the meeting adjourned at 8:45pm
