1. **Call to Order and Introductions**

The meeting was called to order at 7:05 p.m.

2. **Acceptance of Agenda**

The Agenda, previously posted on the web site, was reviewed and accepted by consensus.

3. **Art Gallery Update**

FC provided an update and summary. Ruth McCullough will assist with selections and display. It is important to get a sense of participation numbers so WG to send out a notice. Each participant will be responsible for their own printing, matte and framing and will be expected to assist with clean-up etc. April will be the month for displays. Possible printing/framing in Whitehorse include Bill Barnie / Frame Shop (668-3726), and Steve Brewis / Northern Frameworks (332-4859). Info will be provided to interested photographers regarding sizes etc - there will not be a specified theme.

4. **Workshop - Dave Brosha Update**

WG provided an update and encouraged all to spread the word and invite friends to participate. The Friday evening should be very enlightening and enjoyed by all; Saturday is the main workshop event; and Sunday will be field work and critique. In the event of inclement weather, we will likely spend some time capturing architecture images within the College. WG to send out a final notice to signed up participants. Heinz Ter Voert has made a very generous offer to provide a couple valued door prizes to be drawn on Saturday. Info on web site.

5. **Meeting Schedule**

The policy of the Library is that any organization can only have two bookings in any two-month period. Therefore we are not able to make any more bookings until after our regular meeting in January. As there is a possibility we will not get our preferred date of Feb 4, 2014, BF has offered a classroom (Rm 145) for that date. KZ will check with Sport Yukon to see if we qualify to join and what fees are - member clubs get free use of boardroom.

6. **Competitions**

Our images for Celebration of Nature 2013 have been submitted and received. The call has been made with respect to the North Shore Photography Challenge 2014. A maximum of 6 images from each member participant is to be received by noon January 10, 2014. Selection of top

participant images will be completed on Saturday January 11 and CGC between 4PM and 8PM. The images are to be submitted to our size requirements, and the selected image will then be sized to suit competition guidelines. Images will be reviewed anonymously with only an image title to be supplied. John Reeve has again offered to manage our selection process. Club submissions can be sent down via internet protocol such as WeTransfer. Again, we propose to submit these single member images to an outside expert for selection of the final six.

There will be an opportunity for individual club members to also submit up to 3 images for a \$10 fee.

7. **Guest Speaker**

Simon Blakesley presented about 50 of his wonderful aviation images, and explained a few tips he tries to follow. Many of his images can be seen at www.simonblakesley.ca

8. **Other**

Reminder of next week's meeting - Assignment "Flash Photography". Allen Bargaen notes etc will be made available to that workshop's attendees.

9. **Adjournment**

Adjourned at about 8:50 PM.

Respectfully Submitted
