# Expand Your Vision

With Sherman Hines

Friday, October 2 from 7-10pm  
Photo Presentation @ Yukon College \$10

The Whitehorse Photography Club is excited to welcome acclaimed photographer Sherman Hines as leader for our annual fall workshop.

## Fall Workshop Update

The workshop is fast approaching! Thank you to everyone who donated their time and effort to help us prepare and promote this workshop. We are very excited to learn from Sherman Hines, and hope you'll join us!

Friday, Oct 2 will feature a picture presentation of Sherman's best work, and should prove interesting to everyone.

Sunday, Oct 4 will be opportunity to work in the field under the tutelage of Mr. Hines.

Saturday, Oct 3 will feature lessons on the theme “Expand Your Vision”.

More details may be found on-line at [whitehorsephotoclub.ca](http://whitehorsephotoclub.ca)

## Upcoming Events

- **Tuesday, October 6 at Epic Pizza in Riverdale 7PM** After an exhausting yet fulfilling weekend of Expanding Your Vision, what better way to refresh oneself than with Pizza/Pics/Pints! This pay your-own-way event will offer members, many of whom are new this year, a casual setting in which to learn more about each other. Significant others welcome!
- **Tuesday, October 20 at CGC** The next assignment is “The Colour...?”. Each photographer should pick one colour, and make up to six photographs incorporating that colour. How to choose? Close your eyes, and imagine a field of flowers. Or fling open your closet doors; what do you see as the predominant colour in your wardrobe? If you live in a monochrome house, pick the [complementary colour](#).

*Specifications for submission may be found on the [club website](#).*

## Assignment: “Best of Summer”

A **fantastic turn-out** for our first assignment of the year, the open-topic “Best of Summer”. In total, we viewed 98 images, plus one video

taken from a drone. (See, we are a tolerant bunch, and accepting of this 'moving pictures' fad!) A selection of images has been posted on our Facebook and website pages. Please check them out and Like/Comment/Share!

## Celebration of Nature 2015

The club participates in several competitions each year, and the first on the calendar is Celebration of Nature.

This competition is open to all clubs in British Columbia and the Yukon. Individual entries are not accepted.

**"Each club is invited to submit up to eight images of our natural world. All images must be free of any signs of man's impact and must not include any domestic animals or feature any cultivated or invasive plants."**

Technical details for submission are provided [in this document](#) but in a nutshell: sRGB, 1400x1050 pixels

A selection meeting will be scheduled in November (likely either the 7th or 8th), where club members may submit up to two images for consideration. Through member voting, eight will be selected for submission to the competition.

Deadline for club submissions is November 13, 2015.
