1. **Call to Order** at 7:05PM.

2. **Business.**

- 2.1. This and the next few general meetings will be held via ZOOM due to inclement weather potential.
- 2.2. LM chaired meeting in ML's absence.
- 2.3. LM summarized upcoming events:
 - January 13 - Interclub session with Doug Johnson.
 - January 18 - Dave Brosha "Work Smarter" seminar; registration link is [here](#)...
 - January 22 - WPC selection of club entry into North Shore Challenge competition will be in-person only at Yukon University. Please come out and help with selection even if you do not enter any photographs for consideration. The more that participate - the better our club selection will be... But please consider submitting images as per the recent e-mail. LM showcased a few recent high scoring images...
 - January 25 - WPC next ZOOM meeting will feature Doug Johns and his talk on "*low light photography*".
 - February 8 - WPC ZOOM meeting featuring Gail Stephan of Vancouver and her talk on "*flower photography*".
 - A YouTube link to Bryan Peterson's Interclub talk of November 18 ("*Understanding Contrast*") is available [here](#)...
- 2.4. This meeting is a photo-share of Xmas themed photos as suggested by ML. Several excellent images were presented by Amanda Fata, John Reeve, Lois Moore, Norma Waddington and Steve Wilson. Steve Wilson showed his water droplet imaging set-up.
- 2.5. Following this photo-share, LM presented a YouTube video of Nigel Danson on "pin sharp" photography (as opposed to "acceptably sharp" photography). Two links to Nigel Danson's videos were subsequently provided and are:
 - "How can I get pin sharp photos from front to back?"
<https://www.youtube.com/watch?v=OM3P8Ntcr34>
 - and
 - "How do I get photos with a painter look"
<https://www.youtube.com/watch?v=CNBJlnrV1w&t=765s>

3. Other Business.

- 2.6. Next Meeting - January 25 via ZOOM. ML would like input from members on ideas for future sessions; for example recruiting a CAPA judge to review selected images live during a meeting as has been done by other clubs, etc... Also a reminder that AGM is coming and please consider your participation with the Executive which is being particularly hampered this year.
