Executive Regrets:			

1. **Call to Order** at 7:10PM.

2. **Business.**

- 2.1. WPC was able to have [Gail Stephan](#) (Surrey, BC) provide a presentation from her home. Her presentation topic was "flower photography". She presented a slideshow of many of her captures including equipment (also iPhone). After a break at 7:43 (RG left meeting) she presented on her post processing. Gail is still on, and happy with, LightRoom 6, does not use PhotoShop, does use NIK Color Efex Pro4 and Topaz Sharpen AI. Gail prefers natural window light, mostly hand holds, and creates her own dark backgrounds with fabric etc.
- 2.2. Presentation was very well received.

3. **Other Business.**

- 2.1. Next Meeting - February 22 via ZOOM.
