Executive Regrets:

1. Call to Order at 7:05PM.
2. Business:
 1. GA has distributed to members a note from Ilona Maes on how to submit images for our Instagram account, and encouraging us to do so. This will increase our public exposure.
 2. GA advised that members should get a Flickr account; JR is close to finalizing the link between your Flickr account and the club website.
 3. WPC is in final negotiations with Peter Mather re our fall workshop (storytelling). PM will likely have a Friday evening slideshow and provide information on photographic storytelling. This will be followed up a week later with photoshare and discussion about images attendees took over the past week. It is unlikely that we will meet YG Arts Grant application deadline of March 15 but will be submitted with the next intake (June 15).
4. Presentation: MK presented a very well received slideshow entitled "One is Never Enough - Finding Your Style in Multiple Genres", including Environmental Portraiture and visual storytelling.
5. Other Business
 1. Next Meeting - March 27, 2024. Assignment is "The Power of One".
